**Subject:** Please pass SB 1108, the Zero-Tolerance Safe School Environment Act

To CT General Judiciary Committee:

I am writing today to strongly urge you to support the SB 1108, the Zero-Tolerance Safe School Environment Act. This is common sense legislation that is necessary to reduce outside threats to our student population, along with teachers and administrators who deserve to attend school in a safe environment.

It will send a message to possible future perpetrators that there will be real consequences if they commit such despicable acts.

Thank you,
